## **Join us for all day or half day!**

- All skill levels are encouraged to participate.
- This one-day annual event is an opportunity to meet other local volunteers, hone your birding skills, and take part in a seasonal tradition.
- Binoculars will be available to borrow for the day

**Interested students** must contact Nancy Bruce at [joyfulbirding@gmail.com](mailto:joyfulbirding@gmail.com)

**NOTE:** Due to COVID-19 restrictions (Audubon, state & local), there are a few new rules that must be followed in order to comply with those restrictions and protect our fellow counters and family members:

- No sharing of vehicles with out-of-family/living groups (everyone in their own vehicle);
- Counters must maintain 6' physical distance from anyone not in their family/living group;
- Everyone should have a mask with them for circumstances where 6' distance cannot be maintained.
