Conference Mission:

The State Superintendent of Instruction, University of California, and the CSU Chancellor's Office are proud to collaborate with Tulare County Office of Education to host the 2nd Annual "Breaking Barriers" Professional Development Conference in Tulare County.

We invite administrators, counselors, teachers, support staff, and college faculty members to learn of recent case studies and local model schools in California that are paving the way with transformational strategies. Join us as model schools share their approaches to eliminating barriers to learning while creating seamless transitions to higher institutes of education.
