- 1.2 This Agreement, when signed by the parties hereto, supersedes all other agreements and supplements and represents the sole Agreement between the parties.
- 1.3 If, during its term, the parties hereto should mutually agree to modify, amend or alter the provisions of this Agreement in any respect, any such changes shall be effective only if reduced to writing and executed by the authorized representatives of the Office and the Association.

TCOE has a history of providing school nurses and teachers who have been trained and supervised by nurses to perform such specialized health care procedures as gastrostomy tube feeding, catheterization, suctioning, blood sugar testing, etc. TCOE will continue to use nurses and teachers to do these procedures before requesting an Instructional Assistant, Severely Handicapped to do specialized health care procedures.

When teachers and/or nurses are not able to do these procedures, or when there are too many children that need procedures done at the same time, or when it conflicts with doctor’s orders for the time that the procedure(s) must be administered, TCOE will request that an Instructional Assistant, Severely Handicapped perform the procedure(s).

In order to be able to accommodate the needs of Special Needs students needing specialized health care, CSEA and TCOE agree on the following:

- a. If a school nurse or teacher is unable to do the specialized health procedure, and an Instructional Assistant, Severely Handicapped in that student's classroom is willing and volunteers to perform specialized health care procedures as a qualified designated person, the Instructional Assistant, Severely Handicapped will be paid a stipend of \$75 per month for any month in which they perform one or more specialized health procedures.
- b. The Instructional Assistant, Severely Handicapped will be trained and supervised by the school nurse in how to do the procedure(s).
- c. The Instructional Assistant, Severely Handicapped will demonstrate competence in basic cardiopulmonary resuscitation, be trained in and have a list compiled by the school nurse of the emergency medical resources available in the community, and provide the specialized health care services under the supervision of the school nurse.
  1. Supervision is defined to mean review, observation, and/or instruction of the designated service provider's performance of a specialized physical health care service or services. Supervision may be immediate, direct or indirect. The school nurse will determine the competence of the qualified designated person and the level of supervision required. To be considered competent, the non-licensed designated school personnel must meet the training objectives designed by the credentialed school nurse.
- d. An Instructional Assistant, Severely Handicapped will be limited in scope to these specialized health procedures: catheterization, gastrostomy tube feeding, suctioning, blood sugar testing, EPI Pen and epilepsy anti-seizure medication (diazepam rectal gel, Diastat). Epilepsy anti-seizure medication will be administered in accordance with California Code of Regulations sections 620-627.

#### 11.16 Salary Deferral Plan Option

Ten-month employees may choose to be paid over a 12-month period through a salary deferral plan. There will be twelve monthly payments beginning the last work day of September, and ending the last work day of August following the end of the fiscal year. The July and August payments will be based on a monthly payment for September through June. The employee will receive ½ of this deferment the last work day of July and the balance at the end of August. If participation in the summer pay process begins after the September payroll, correspondingly smaller payments will be received for July and August.

Eleven-month employees may choose to be paid over a 12-month period through a salary deferral plan. There will be twelve monthly payments beginning the last work day in August and ending the last work day of July following the end of the fiscal year. The July payment will be based on a monthly summer pay deferment of 1/12th of an employee's normal gross monthly payment for August through June. The employee will receive this deferment the last work day of July. If participation in the summer pay process begins after the August payroll, a correspondingly smaller payment will be received for July.

13.10 Catastrophic Leave

The Association and the Office establish catastrophic leave with the following provisions:

13.10.1 Definitions:

"Catastrophic illness or injury" means an illness or injury:

- a. that is expected to incapacitate the receiving employee for an extended period of time beyond the employee's paid leave entitlement, or
- b. that incapacitates a member of the receiving employee's immediate family, which incapacity requires the employee to take unpaid time off from work for an extended period of time to care for that family member, and
- c. which would create a financial hardship for the receiving employee if he/she were required to take extended time off work because he/she has exhausted all of his or her sick leave and other paid time off.

For the purpose of catastrophic leave, “immediate family” means the spouse or domestic partner, child, step-child, foster child, child of the domestic partner, parent or grandparent of the employee, or any other person living in the receiving employee’s household.

13.10.2 Any employee may donate up to his/hers current year’s entitlement of sick or vacation leave to another member of the bargaining unit who meets the criteria above.

13.10.2.1 To donate sick leave, a unit member must retain one year’s entitlement of sick leave on the books.

13.10.2.2 A donating employee may donate a minimum of eight (8) hours of sick leave or vacation hours to another employee who has been deemed eligible to receive this leave.

13.10.2.3 Donated sick leave or vacation hours shall be converted for utilization on an hour for hour basis meaning the recipient shall be paid at his regular rate of pay.

13.10.2.4 The Office will credit the receiving employee’s sick leave account with one (1) day of sick leave or vacation credit from each donating employee in the order in which the donation is received by the Office, and will repeat the process until the receiving employee has received the maximum amount of sick leave credit that he/she needs or may accrue under 13.10.3. If, through the initial process of deducting one (1) day of sick leave credit from each donating employee, the receiving employee does not receive sufficient sick leave credit, the Office shall repeat the process by crediting the receiving employee’s account with additional sick leave credits from those employees who wish to donate more than one (1) day of sick leave credit.

13.10.2.5 Employees may not revoke their donation of sick leave credits. Nevertheless, donated leave not utilized by the recipient prior to return to service shall be returned to the donor.

13.10.3 The maximum days allowed to be utilized by one (1) employee shall not exceed the number of days in their normal annual work year

13.10.4 Employees who are granted the use of donated leave days shall be considered to be in regular paid status and will continue to earn and accrue all contractual and statutory benefits.

13.10.5 To utilize this benefit, an employee or the Office or CSEA may submit a request to the County Superintendent of Schools to “call for donations.”

13.10.6 The County Superintendent of Schools will grant approval of a catastrophic leave request to an employee if the employee's or their family member's illness or injury conforms to the definition of catastrophic illness or injury set forth in this section and the individual's condition is verified by a physician's written statement.

13.10.7 If catastrophic leave has been approved for an employee to care for a family member, all accrued paid leave benefits and other paid time off must be exhausted as personal necessity leave, prior to use of catastrophic leave.

13.10.8 Any employee returning from catastrophic leave will be reinstated to their former position.

13.11.1 An employee is eligible if he or she has been employed by the Office for at least 12 months and has provided service at least 1250 hours over the previous 12 months (normally this means a full-time work year, i.e., 182 days x 7 hours = 1274 hours).

A second or third medical opinion may be required regarding the employee's serious health condition at the Office's expense. In certain circumstances, the employee may be required to provide recertification of his or her serious health condition (e.g., when the duration and/or need for the leave is uncertain). Failure to obtain medical certification when necessary may delay the granting of the leave request until such certification is provided.
- 13.11.5 Where advance notice is possible, an employee must provide thirty (30) days advance written notice of the need for the leave. If the need for the leave is unforeseen, written notice must be given as soon as possible. Failure to provide advance written notice may delay the granting of the leave.

This grievance procedure shall not be used to challenge or change policies, regulation, or procedures of the Office which are not included in this Agreement, nor shall the grievance procedures be used for other matters for which specific methods of review are provided by law, or Office policies, rules, or regulations. A "grievant" is any employee covered by the terms of this Agreement or the Association.

16.2 Time limits specified at each level shall be considered to be maximums and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement.

16.3 The filing of a grievance shall not reflect unfavorably upon the grievant.

The Association shall be given an opportunity to file a written response to the proposed resolution.

The employee shall meet with the immediate supervisor to discuss the potential grievance, in an attempt to resolve it informally. Neither the employee nor the immediate supervisor may bring a conferee to this informal meeting. If the potential grievance is not resolved at this level, the employee may proceed to Step 1.

## FORMAL LEVEL

Step 1. The grievance shall be presented in writing to the employee's immediate supervisor within ten (10) days of the occurrence giving rise to the grievance or within ten (10) days of when the grievant should have reasonably known of the occurrence. A copy of the grievance shall be filed with the Human Resources office. The supervisor shall reply in writing within ten (10) days thereafter after consultation with the Assistant Superintendent, Human Resources (Human Resources Director).

Step 2. If the grievant is not satisfied with the reply in Step 1, within ten (10) days after such reply, the grievance shall be presented in writing to the appropriate Administrator or Assistant Superintendent. A copy shall be filed with the Human Resources Office. The Administrator or Assistant Superintendent shall reply in writing within ten (10) days thereafter after consultation with the Assistant Superintendent, Human Resources (Human Resources Director).

Step 3. If the grievant is not satisfied with the decision at Step 2, the employee may, within ten (10) days, appeal the decision to the County Superintendent of Schools. This written appeal statement shall include a copy of the original grievance, the appeals, and the decision rendered at previous levels, and a clear, concise statement of the reasons for the appeal.

16.15 If, upon review, the County Superintendent of Schools determines that he/she is unable to render a determination on the record, he/she may reopen the record for the taking of additional evidence prior to rendering his/her decision which shall be in writing. The County Superintendent of School shall render his/her written decision within twenty (20) days of receipt of the Step 3 appeal. This is the final administrative review of the grievance procedure.

16.16 The employee shall have the right to have a CSEA Representative present at each level of the grievance procedure.

## **ARTICLE XVII: LAYOFF, RE-EMPLOYMENT AND REDUCTION OF HOURS**

17.1 Classified employees shall be subject to layoff for lack of work and/or lack of funds. Whenever a classified employee is laid off, seniority within the class shall be determined by length of service in the class, based upon hire date in the classification. The employee who has been employed the shortest time in that classification plus any higher range classes, shall be laid off first. Re-employment shall be in order of seniority. If it becomes necessary for the Office to terminate the employment of any employee because of a reduction in the work force, lack of funds, or other involuntary reasons, layoff procedures will be followed and sixty (60) calendar days written notice shall be given the employee. A termination interview with the Human Resources department may be scheduled during normal work hours.

17.2 The termination date of an employee will be the last actual working day.

### **17.2.1 Layoff Procedures**

- a. "Layoff" means a separation from the service because of lack of funds, abolishment of position for lack of work, or other involuntary reasons not reflecting discredit on an employee.
- b. Whenever, because of lack of work and/or lack of funds, it becomes necessary to layoff permanent and/or probationary employees, such layoffs shall be conducted in accordance with procedures set forth in Education Code Sections 45298 and 45308. The names of employees laid off shall be placed on re-employment lists in the reverse order of layoff and such eligibility shall continue for 39 months from the date of layoff.
- c. No permanent or probationary classified employee shall be laid off from any position while employees serving in short-term, temporary or substitute employment are retained in positions of the same class.
- d. A short-term, temporary or substitute employee may be separated at the completion of an assignment without regard to the procedures set forth in this Article.
- e. Probationary and permanent employees shall be notified in writing at least sixty (60) calendar days prior to the date of layoff.
- f. In lieu of being laid off, an employee may elect demotion to any class with the same or lower maximum salary in which he/she had previously served under permanent or probationary status.

1. To be considered for demotion in lieu of layoff, an employee must notify the Assistant Superintendent, Human Resources in writing of such election not later than ten (10) calendar days after receiving notice of layoff.
  2. Any employee bumped/displaced by such demotion has the same option of demotion afforded by this rule as if a position had been abolished or discontinued.
  3. Any employee demoted pursuant to this rule shall receive the maximum of the salary range in the class to which demoted provided that such salary is not greater than the salary he/she received in the higher classification at the time of demotion.
  4. In all cases where an employee accepts demotion in lieu of layoff, his/her name shall be placed on re-employment lists for the class from which they were demoted for a period of sixty-three (63) months.
  5. All service in the classification plus higher classifications in the line of promotion shall count as seniority within the classification. Seniority shall be based on the employee's date of hire rather than the number of hours worked.
  6. An employee on a re-employment list may decline three (3) offers of re-employment in former class and status. If an employee declines three offers of re-employment in his/her former position, his/her name shall be removed from the re-employment list, and he/she shall no longer be considered an employee of the Office.
  7. When an employee accepts re-employment, the employee must report to work within ten (10) working days.
  8. Refusal of an offer of short-term or limited part-time employment shall not affect the standing of any employee on a layoff list.
  9. Employees on re-employment lists shall be eligible to compete in promotional examinations for which they qualify.
- 17.3 The decision and effects of any reduction in assigned time shall be accomplished through negotiations and in accordance with this Article.
- 17.4 Employees in the same classification who are hired on the same date shall draw lot at the time of orientation to determine placement on the seniority list.

## **ARTICLE XVIII: DISCIPLINARY ACTION**

### **18.1 Exclusive Procedure**

Discipline may be imposed on permanent employees in the bargaining units only for just cause. Disciplinary action is defined as dismissal, suspension, demotion. No disciplinary action shall be taken for any cause which arose prior to the employee's becoming permanent, nor for any cause which arose more than two (2) years preceding the date of the filing of the notice of discipline, unless such cause was concealed or not disclosed by such employee when it should have been reasonably assumed that the employee should have disclosed the facts to the Office. Probationary employees serve at the pleasure of the County Superintendent of Schools and are terminable at will. Article XVIII, Disciplinary Action, is not applicable to probationary employees.

### **18.2** When the Office seeks the imposition of any disciplinary action, notice of such discipline shall be made in writing and served in person or by certified mail upon the employee.

The notice shall include:

### **18.3 Informal Meeting (Skelly)**

18.3.1 An informal (Skelly) meeting will be scheduled with the employee prior to the effective date of discipline to review any proposed disciplinary action and to receive any relevant information the employee wishes to present. All information submitted by the employee in response to the charges shall be carefully considered before the recommendation for disciplinary action is finalized.

18.3.2 If an employee does not attend the scheduled informal (Skelly) meeting or submit a written response prior to the effective date of discipline, he/she shall be deemed to have waived that right, and the County Superintendent may impose the discipline as of the effective date. The employee shall be given notice of his/her right to a hearing.

18.4 Appeal Procedure

If, after the informal meeting, the decision of the Office is to proceed with the disciplinary action, a signed Notice of Charges will be served on the employee. The employee may, within five (5) calendar days after receiving the Notice of Charges, appeal the recommended disciplinary action by signing and filing the Demand for Hearing form included with the Notice of Charges. If the employee fails to file the notice of appeal within the time specified, the employee shall be deemed to have waived his/her right to appeal, and the County Superintendent shall order the recommended disciplinary action into effect immediately.

18.5 Hearing

18.5.1 If a hearing is requested by the employee, the hearing shall be held at the earliest possible date, taking into consideration the established schedule of the County Superintendent or hearing officer, and the availability of counsel and witnesses. All hearings shall be heard by a hearing officer except in those cases where the County Superintendent determines to hear the appeal himself/herself. If the appeal is heard by the County Superintendent, he/she shall affirm, modify or revoke the recommended disciplinary action.

18.5.2 The employee may be represented at the hearing by an Association representative, by an attorney or other representative at the employee's expense. The employee may represent himself/herself without a representative or legal counsel. The employee will have the opportunity at the hearing to present any relevant evidence, and will be given full opportunity to cross-examine all witnesses testifying against him/her.

18.5.4 The County Superintendent will prepare a written decision which will be provided to the employee and Association. The decision of the County Superintendent shall be final.

18.6 Emergency Suspension:

18.6.1 If the employee's presence presents a clear and present danger to the life, safety, health or property of any student, employee, him/herself, or members of the public, or causes a disruption of County Office activities or affairs as determined by the Office, the Office may immediately suspend the employee from duty with pay. The Office shall serve notice and a statement of facts upon the employee who shall be entitled to respond to the factual contentions supporting the emergency. The suspension shall continue unless and until the employee established that such emergency suspension is not necessary or the final disciplinary action is imposed.

18.6.2 In cases where the Office has determined that a permanent classified employee should be dismissed or suspended without pay, and that continuation of the employee in active duty status would not be advisable during the time the proceedings are pending (e.g., danger to the life, safety, health or any property of any student, employee, him/herself, or members of the public, disruptive to County Office activities or affairs, or in the best interest of the Office), the Assistant Superintendent, Human Resources, or designee, may order the employee immediately suspended from his/her duties without pay after the informal (Skelly) meeting and following execution of the Notice of Charges. The determination by the Assistant Superintendent, Human Resources, or designee that it would not be advisable to keep the employee on active duty status during the time the discipline proceedings are pending, and that the employee should be suspended without pay, is final.

18.6.3 In any action to suspend without pay for ten (10) working days or less, the Office shall serve notice and a statement of facts upon the employee. The notice shall include a statement of the right to respond to the charges, orally and/or in writing at an informal (Skelly) meeting. The notice shall include the time within which the response must be received, and the employee shall be deemed to have waived this right if he/she fails to submit a response or within the required time. The employee may be assisted in his/her response by a representative of his/her own choosing. An employee who is suspended for ten (10) days or less shall not have the right to appeal by way of a hearing before the County Superintendent.
