LCFF Budget Overview for Parents Narrative Responses Sheet

Required Prompt(s)	Response(s)
<p>Briefly describe any of the General Fund Budget Expenditures for the school year not included in the Learning Continuity Plan.</p>	<p>General fund budgeted expenditures not included in the Learning Continuity Plan cover standard regular recurring operating expenditures including payroll, programmatic curriculum, technology and instructional supplies, additional contracted instructional services for professional development, facility lease and maintenance, and other standard program costs.</p>
<p>A prompt may display based on information provided in the Data Input tab.</p>	<p>Further Actions outside the LCP to support the needs of Unduplicated Pupils include the continuing of providing additional resources, materials, and curriculum that supports homeschooling. Actions that support and engage parents in workshops to implement state standards and provide increased effectiveness of instruction are also planned. Actions to provide professional development opportunities for staff to increase effectiveness of academic guidance and support to students and parents are an integral part of service improvement at ERCLC.</p>

The total actual expenditures for actions and services to increase or improve services for high needs students in 2019-2020 is less than the total budgeted expenditures for those planned actions and services. Briefly describe how this difference impacted the actions and services and the overall increased or improved services for high needs students in 2019-2020.

As 2019-2020 was a difficult year due to COVID school closures, our homeschool program had to focus on supporting the parents as the teacher and fewer on site opportunities were available because of the lock down requirement. The educational coordinators spent additional time and support virtually or through teleconference to support learning and parent support. The roll over of any funds for high need students was directed to new resources, technology, virtual enrichment, and new library resources including planners for those families. ERCLC also provided school supplies for families in need and any other resources needed to be an effective homeschool parent-teacher. This year an additional aide was hired for support with students struggling academically.
