## **Head Start centers accepting applications for preschoolers**

The Tulare County Office of Education's Child Care Educational Program is currently accepting applications for preschool enrollment at its Head Start and state-funded preschools.

Jim Vidak, county superintendent of schools, said the center is now accepting preschoolers who are between 2.10 and 4.9 years as of September 1, 2012. Some centers also accept infants and toddlers. Families must meet income guidelines and other eligibility requirements.

In addition to an education program, some centers also offer Head Start services including health, nutrition, special needs and social services.

For more information, contact the centers listed below or call the main office in Visalia at (559) 651-3022.
