Tulare County Head Start and state preschool centers accepting applications for preschoolers

The Tulare County Office of Education's Early Childhood Education Program (formerly known as the Child Care Educational Program) is currently accepting applications for preschool enrollment at its Head Start and state-funded preschools.

Jim Vidak, county superintendent of schools, said the centers are now accepting preschoolers who are between 2.10 and 4.9 years as of September 2, 2014. Families must meet income guidelines and other eligibility requirements.

In addition to an education program, some centers also offer Head Start services including health, nutrition, special needs and social services.
