This month, the Theatre Company will perform four public performances of *Phantom of the Opera*. Students have been working this semester to prepare their production of the popular Andrew Lloyd Webber musical. *Phantom of the Opera* is the story of a masked figure who lurks in the catacombs below the Paris Opera House, exercising a reign of terror over all who work in it. He falls madly in love with an innocent young soprano, Christine, and devotes himself to creating a new star by nurturing her extraordinary talents and by employing all of the devious methods at his command. The production features sensational songs, including *Think of Me*, *Angel of Music*, *Music of the Night*, *All I Ask of You*, *Masquerade* and the title song *Phantom of the Opera*.
