Tulare County Office of Education Announces:

Annual College and Career EXPO set for April 6

On Friday, April 6, Tulare and Kings county high school students will be visiting the Visalia and Tulare campuses of College of the Sequoias for College and Career EXPO. Nearly 600 students have registered to attend EXPO 2018.

EXPO has been a Tulare-Kings regional event since 1992 and was held at COS for the majority of those years. A collaborative event between the COS Career Technical Education Programs, Tulare County Office of Education's College and Career, Kings County Office of Education, and high school districts in Visalia and Tulare, EXPO provides students with the opportunity to compete in both career technical and academic events, and to visit the COS campus for what may be the first time.

Events will be hosted at COS' Tulare Center, as well as the Visalia Campus and begin at 9:00 a.m. A complete list of competitions and locations follows.

COS Visalia Events

Anatomy
Automotive Technology
Basic Electricity
Best Agri-Marketing Career Pathway Demonstration
