## Tulare County Office of Education Announces: **Instructional Resources Available for Review**

The public is invited to view instructional resources that have been submitted for adoption consideration by the State Board of Education. These resources have been on display since August 13, 2001 at the twenty-six Learning Resource Display Centers (LRDCs) located throughout the state. The Tulare County Office of Education LRDC is located at 7000 Doe Avenue, Suite A, in Visalia, and serves both Tulare and Kings Counties.

The State Board of Education will evaluate the instructional resources for their alignment with California State Content Standards in Reading/Language Arts/English Language Development and its associated framework. You are invited to review these sources and submit your comments on forms available at the LRDC. Comments regarding legal compliance issues or educational content must be postmarked by December 20, 2001 for them to be considered by the State Board of Education. The State Board of Education will make a final decision at their January 9, 2002 meeting to adopt instructional materials.

For further information, please contact Steve Woods, LRDC #30, 651-3031 or [stevew@tcoe.org](mailto:stevew@tcoe.org).
