### a. Presentation of Miss Tulare County Scholarship Organization Titleholders - Michelle French

#### Minutes

Michelle French has proudly served as the Miss Tulare County organization's local director for the last three years. The Miss Tulare County Organization is the local affiliate to the Miss California and Miss America organizations. The Miss Tulare County organization awarded over \$11,000 in scholarships and awards this year. Over the last three years, TCOE has provided facilities for mock interviews, competition interviews, a mock stage competition, and the send-off party, which was a combination of cake, fun, and family. Ms. French thanked TCOE staff for their help to arranging and setting up the facilities. Additionally, she thanked the TCOE staff for welcoming the title holders' participation in TCOE student events.

Elliana Hendrickson, Miss Central Valley, shared her experience running for Miss California. Preparing for the competition required discipline, public speaking, and community engagement, all of which helped strengthen her confidence and purpose. Since May, she has attended three TCOE events. The one that really stood out the most was the Lip Sync battle. She had the honor of singing the national anthem at that event. She shared that it was such a fun and energetic atmosphere. Each performance was filled with creativity, heart, and personality. It reminded her how powerful and uplifting these types of events can be. Miss Hendrickson's community service initiative is Empowering Resilience through Action, which encourages others to recognize their inner strength and needs to overcome hardships. Through workshops, school visits, and social media outreach, she shares tools and stories that promote resilience, like how to stay grounded during tough times, build a supportive system, and to take proactive steps towards healing and growth. She recently completed her AA at College of the Sequoias (COS) and will be continuing her education at Fresno State, majoring in Mass Communication Journalism, with an emphasis in public relations and advertisement. Her long-term goal is becoming a social media manager.

Carly Jensen, Miss City of Visalia, is also on the team captain of the COS national cheerleading championship team. She shared that she was the youngest contestant for Miss California at only 18 years old. She started performing with TCOE's Theatre Company in first grade. She was honored to be a part of the Slick Rock Film Festival. She enjoyed helping students get settled for the event and support them. It was very exciting to go on stage and hand out the awards because she didn't realize that the awards were actual rocks with their name on them. She enjoyed being part of that special moments for the students who had worked so long to be on that stage and crafted all of their videos and films. Her community service initiative is called Caring with Carly. Her mom, who is a social worker, inspired her interest in mental health. This fall she will be a peer-mentor at COS for the Let's Talk internship. Miss

Jensen plans to transfer to UC Berkeley. She is majoring in psychology and hopes to attend medical school and go into psychiatry.

Olivia Harden, Miss Tulare County, was the first runner up to Miss California. She has received over \$8,000 in scholarships. She has a master's in psychology and plans to go back to school to become a sports psychologist. Her community service initiative advocates for athletes' mental health. During the Miss California talent portion, she was able to speak to the audience which was also on livestream about bringing awareness to athletes' mental health. She has attended 10 events with TCOE and was honored to speak at Pursuing Victory with Honor Student-Athletes awards banquet. At the event, she also got to meet other athletes from the Fresno State football team and share their stories and resources for mental health. Miss Harden shared that she was a student of Mr. Hire's and thanked him for his support.

President Reed thanked Michelle French and the titleholders for their presentations.

## **b. Presentation of 2025 Tulare County Spelling Champion - Chris Meyer**

### **Minutes**

Chris Meyer introduced Sarvadnya Kadam, the three-time Tulare County Spelling Champion. Sarvadnya, like millions of other students, started his journey at the school level. Then he won at the county level and at the state. This year, he went on to be runner up at the Scripps National Bee in Washington, D.C.

Sarvadnya thanked the Board for the opportunity to represent Tulare County. He was honored to represent TCOE, Tulare County and the entire state of California. He shared the three elements of his success. The first was luck. The second was hard work. He spent many hours in the past year memorizing the dictionary. The final element was support. He thanked TCOE for their support of his week-long trip to Washington, D.C. to participate in the Scripps competition. He was delighted to speak at Convocation. Additionally, during the summer he was invited to Boston to tour Harvard. Sarvadnya shared that now he's a retired speller and that journey is over, he wants to give back to the community.

Chris Meyer presented a certificate and photo album for this year's spelling journey to Sarvadnya.

Although Migrant Education funds held back, they have now been released. Mr. Hire reported that he has been doing advocacy for funding.

There are four priorities for federal funding, which include evidence-based literacy education, expanding education options (more college and career options specifically), returning educational decisions to the states, and AI in education. There is a back to basics approach to streamlining the department of education.
