

CHARACTER COUNTS!

Student: Easton Farmer

Grade: 12

School: Golden West High School

Comment: Water Polo Coach Weit says, "Easton is a fantastic athlete any coach would love to have on their team. He strives to learn both in the competition pool and in the classroom. Besides being a leader in the pool, he also participates in ASB at Golden West High. The attention to detail and enthusiasm he brings to practices and games is matched by his school performance and his high GPA. Easton is fun and a delight to be around for both coaches and players. His desire to constantly improve helps lift the team to greater heights, game after game."

Pillar represented: Citizenship: Doing your share in your family and community.

Through the Character Counts! program, the Tulare County Office of Education recognizes local students who exhibit good character.
