

# CHARACTER COUNTS!

Student: Jade Eskridge

Grade: 2

School: Three Rivers Union School

Comment: Nominator Jami Beck says, "Jade is my classroom helper. She is a little mother hen. She makes sure that everyone is taken care of. If someone needs a new mask, she is right there to make sure they have one. She works hard and makes the right decisions. She completes all her assignments and comes to school prepared to learn."

Pillar represented: Responsibility

Through the Character Counts! program, the Tulare County Office of Education and the Visalia Times-Delta/Tulare Advance Register recognize local students who exhibit good character.
