

CHARACTER COUNTS!

Student: Denise Hurtado

Grade: 1

School: Palo Verde Union School

Comment: Teacher Monica Acosta says, "Denise is a person who is considerate and kind in everything she does. Denise not only is helpful and caring toward her peers, but is very caring and considerate to her teachers. She always thinks of others before herself and is willing to let others have a try or a chance before she does. She is also very sweet and helps out with students in our classroom. Denise is someone I can count to be caring, kind, and generous to everyone she meets."

Pillar: represented: Caring: Being helpful, kind and generous.

Through the Character Counts! program, the Tulare County Office of Education and the Visalia Times-Delta/Tulare Advance Register recognize local students who exhibit good character.
