

CHARACTER COUNTS!

Student: Jennifer Meneces

Grade: 12

School: Redwood High School

Comment: Volleyball Coach Montgomery says, "Jennifer is a captain and three-year varsity player. She is that quiet captain who leads by example, but when she speaks both in the huddle and outside the game, she has insightful and thoughtful comments that everyone listens to. Jennifer has the respect of the coaching staff as well as her teammates. She works hard, not only to improve her own skills, but to help improve the team."

Pillar: Citizenship

Through the Character Counts! program, the Tulare County Office of Education and the Visalia Times-Delta/Tulare Advance Register recognize local students who exhibit good character.
