

CHARACTER COUNTS!

School: Global Learning Charter School

Comment: Nominator Jennifer Morones says, "Xavier has a special way of looking out for his schoolmates, friends, and family. Going out of his way to help our GLC community by providing cases of water and disinfectant wipes comes naturally to him. Xavier's generous spirit and care makes him the best leader - a leader who serves."

Pillar represented: Citizenship

Through the Character Counts! program, the Tulare County Office of Education and the Visalia Times-Delta/Tulare Advance Register recognize local students who exhibit good character.
