

Addyson

Grade: 12

School: Mt. Whitney High School,
Visalia Unified School
District

Pillar: Citizenship

Comment: Coach Monty says, “I have had the pleasure of knowing and coaching Addyson throughout her high school career at Mt. Whitney High School. Her work ethic, attitude, skill level, and sportsmanship are the things coaches dream that every player would develop! She is such a good sport; she has been known to check on opponents that fall to the ground in the middle of hotly-contested games. Off the field Addison is an excellent student and serves her community. She volunteers at her church, provides leadership in her church community and she helps her family. She often assists her parents with shuttling her younger siblings to and from school and activities. I have had the honor of coaching hundreds of soccer players over the years, and I can honestly say Addison is one of the most pleasant, caring, and team-oriented players I have come across. This year, in her senior season, she has graciously played a new position in order to make it possible for others to get playing time. She will be missed greatly after graduation!”
