

Alexis

Grade: 12

School: Mission Oak High School,
Tulare Union Joint High
School District

Pillar: Responsibility

Comment: Nominator Dave Caetano says, “In the four years that I have worked with Alexis, she has always been an extremely responsible person. She has been in my basketball program during that time and has exhibited true leadership by being on time and having a great attitude while participating in practices and games. What I really appreciate and admire about her is that she is willing to go above and beyond what is asked. She is willing to help others whenever possible and will take on tasks on her own initiative, many times without being asked. When she has taken on a task, I do not have to worry about if it is getting done. The quality of her work is always exceptional.”
