**Comment:** Coach Zeigler says, “It is an honor to recognize Luna as a student-athlete who Pursues Victory with Honor. Luna has been an integral part of the Golden West varsity soccer program for the past four years. She has had the opportunity to grow as a student, person, and player throughout her time in high school. Luna is easily one of the best soccer players in the valley, and yet, she has always been humble about her abilities on the field. She often goes out of her way to praise people and be uplifting, which is one reason why she is so well-liked and respected by her teammates and opponents. She is a natural leader who uses kindness and her own hard work to motivate the people around her.”
