

Veronica

Grade: 12

School: Mt. Whitney High School,
Visalia Unified School
District

Pillar: Citizenship

Comment: Nominator Coach Mosier says, “Veronica has been a member of the volleyball team for all four years and played basketball for two years. Veronica was selected for this award this season because of her level of respect. Veronica is the first person on the track team to welcome new athletes to the team. I have heard many athletes say that when they came out for track and didn’t know anyone, Veronica was the one who welcomed them and showed them what to do. Veronica also shows respect for her opponents by helping them if they need help and cheering for them while they are competing. Veronica has been a member of the leadership team on the track team as well. She enjoys helping with the leadership of the team, giving team talks, and correcting athletes’ behavior when they are not living up to the standards of the program. Veronica is a role model for all athletes and we are pleased to have her in the track program.”
