Join the TCOE and KCOE College + Career Teams!

Gather your team (including your data lead!) and join us for a day of learning about the College & Career Indicator. We will refresh your knowledge of the various CCI components, review updates from CDE, and take a deep dive into the latest CCI data with a focus on special populations. There will be time set aside for strategic planning with your team, as well as dedicated work time and guidance to support you in cleaning up the CALPADS files that are used to generate the CCI.
