K-8 Project-Based Learning

June 10-11, 2025
9:00 a.m. - 3:00 p.m.
\$200 per participant

Join us for an engaging event designed for K-8 teachers looking to elevate their project-based learning approach. Learn to plan Gold Standard projects that teach meaningful learning goals, relevant to students and their communities. Discover how to include well-curated resources, effective learning experiences, and purposeful assessments, ensuring all students are challenged and supported throughout the project path. Engage students in learner-centered practices driven by sustained inquiry and master the balance between structure and flexibility in project facilitation. Utilize varied forms of evidence to ensure all students grow in relation to learning goals. Don't miss this opportunity to transform your teaching strategies and enhance student learning.
