

CTE Teacher Professional Learning Series

Whether you're new to CTE or looking to strengthen your program, this professional learning series offers practical tools, real-world strategies, and valuable connections to support your growth as a CTE educator. Attend the sessions that best fit your professional goals or join us for all four to gain a comprehensive understanding of the essential components of high-quality CTE pathways. Each session is designed to provide practical ideas and resources you can immediately apply in your classroom and program.
