## **Annual Collaborative Event scheduled for March 26**

Registration is open for the Tulare County Council on Child & Youth Development's Annual Collaborative Event. Planned for March 26 at TCOE's Mooney Administration Building, the morning event is a professional learning opportunity for educators.

This year, the theme of the event is "Bridging the Connection: Where Home, School, and Community Come Together." Speakers include TCOE's Assistant Superintendent of Special Services Tammy Bradford and Dr. Ramon Resa, a local pediatrician with over 30 years in practice.

Dr. Resa is also a speaker, writer, and author. His message of determination and resilience in the face of overwhelming obstacles has inspired students, parents, educators, and professionals nationwide. In his memoir, "Out of the Fields: My Journey from Farmworker Boy to Pediatrician," he speaks from the heart to everyone who dreams of creating a better tomorrow for themselves and for those they love.

The free event includes breakfast. Register at <https://bit.ly/4jRjBQI>.

### Tulare City School District opens Outdoor Educational Complex

On Tuesday, Tulare City School District (TCSD) celebrated the grand opening of its Outdoor Educational Complex. The nearly 27-acre facility is an exciting new hub for student athletics and community activities.

This new facility will provide dedicated space for sports programs, ensuring sustainability and reducing wear on individual school sites. It will serve as the new home for after-school sports programs for 4th–8th grade students through ELOP, as well as practices and games previously held across multiple campuses.

The complex includes natural grass fields, field lighting for evening events, restrooms, and dedicated parking. It is also gated with monitored safety features.

This facility will help TCSD continue providing modern and enriched spaces for students to grow as athletes and leaders, encouraging physical activity and teamwork.
