2/11   **Create Your Community with Canva Websites**
In this two-hour workshop, K-12 educators will learn to create visually-engaging websites using Canva's intuitive tools. Discover how to design interactive class pages, share school events, and improve communication. No prior web design experience required — just bring your creativity and a passion for connecting with your school community in a dynamic, digital way!

3/11   **Form an Adventure: Digital Escape Rooms & Choose-Your-Own Adventures**
Join this interactive session to create digital escape rooms and choose-your-own-adventure activities with Google Forms. Designed for K-12 educators, this presentation covers gamified experiences that engage students while fostering critical thinking, creativity, and problem-solving. Leave equipped to turn learning into an exciting, unforgettable adventure!
