school AI

If you're excited to integrate cutting-edge AI tools into your classroom, this session is for you!

Discover how to help students grasp concepts, engage with virtual historical figures, and interact with characters from their favorite stories. Enhance your curriculum with virtual tutors and even develop a co-teacher to assist with classroom tasks. You'll also learn how to set up digital 'fences' to guide meaningful conversations.

Uncover your students' interests and unique challenges with the innovative School AI* tools now at your fingertips.
