## EL+DL Network

**How to Join:** Come for one, stay for both! This year, the Dual Language Network will meet following the EL Network. Complete the registration link if you are interested in participating in the Dual Language Network and/or the EL Network. We look forward to collaborating with you!

#### EL Network:

This network offers a series of focused sessions dedicated to supporting English Learners (ELs). It provides a collaborative space for teachers, coordinators, school and district leaders, and other educational staff to exchange ideas and explore innovative strategies for serving EL students aligned with California's EL Roadmap.

#### Each session will feature:

- EL updates
- Program requirements
- Effective evidence-based instructional practices
- Progress monitoring and assessment
- Networking / team time

#### DL Network:

The Dual Language Network provides a collaborative space for educators to engage in meaningful dialogue around dual language programs at all stages of implementation. Whether developing a new program or strengthening an existing one, participants will explore effective practices, share resources, and learn from one another's experiences. The network fosters a professional community committed to advancing biliteracy, academic achievement, and cross-cultural understanding.

#### Each session offers:

- Current updates
- Guidance and resources

An Educational Resource  
Services Professional Learning  
Opportunity
