B.Y.O.D:
Bring Your Own Device
(laptop or tablet)

Who asks the majority of questions in your classroom? The instructor? The textbook? The students? When students ask their own questions, interest and engagement levels are piqued; students feel empowered to own their learning. Equip students to become builders of their own knowledge by teaching them to effectively formulate and ask their own questions. Foster students' authentic questions, higher order questions, open-ended questions and deeper learning.

*Cross-Curricular Training
For ELA and HSS Teachers*
