\$30

Includes:

Books and lunch
(Books are grant funded)

OMS Registration:

<http://tulare.k12oms.org/147-234735>

CALIFORNIA COLLABORATIVE for LEARNING ACCELERATION

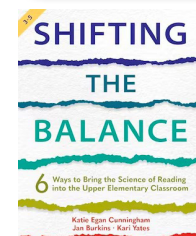

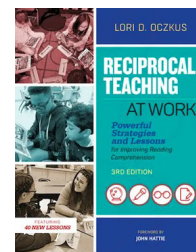

Accelerate Literacy! Grades 3-8

Accelerated learning strategies are those designed to meet students where they are in their learning and use evidence-based approaches to make strong rapid progress in their mastery of knowledge and skills.

Deepen your knowledge and learn how to apply:

- A variety of evidenced-based reading comprehension strategies through whole class and differentiated small group instruction as well as tutoring.
- Accelerative advanced foundational literacy skills for students in grades 3-8
- Targeted instruction based on students' specific learning needs.

Active student participation and student equity needs will be addressed through the frameworks of Universal Design for Learning (UDL), Social Emotional Learning (SEL), and Culturally Sustaining Pedagogies (CSP). Participants will receive *Reciprocal Teaching at Work: Powerful Strategies and Lessons for Improving Reading Comprehension* by Lori D. Oczkus and *Shifting the Balance 3-5: Six Ways to Bring the Science of Reading into the Upper Elementary Classroom* by Katie Cunningham, Jan Burkins and Kari Yates. Both texts provide practical tools for reading comprehension and foundational strategies in the classroom.
