

An in-person professional learning opportunity funded by EPICC and hosted by:

Unlock the Power of Biliteracy with Literacy Squared!

Join us for an engaging workshop on the theoretical foundations of Literacy Squared, where we'll explore research-based insights on bilingualism and biliteracy. This opportunity is facilitated by Literacy Squared trainers.

Workshop highlights include:

- Research on bilingualism and biliteracy and its instructional implications
- Introduction to biliterate reading trajectories—why and how to structure instruction and assessment
- Strategies for leveraging students' full linguistic repertoires to accelerate biliteracy development

This session is ideal for educators looking to enhance their approach to bilingual literacy instruction with proven, research-backed methods.
