Join us for an engaging and interactive session with Efraín Tovar, founder of the California Newcomer Network. This session will equip educators with practical strategies to effectively support newcomer students. Gain valuable insights into how newcomer students' diverse backgrounds influence learning. Acquire tools to help them succeed academically, socially, and emotionally. Leave prepared to foster an inclusive and empowering learning environment where all newcomer students can thrive.

**This session will include:**

- **English Language Development (ELD):** Learn targeted strategies to help newcomer students develop language skills while building academic confidence.
- **Social and Emotional Learning (SEL):** Create a supportive classroom environment that prioritizes relationships and emotional well-being.
- **Trauma-Informed Approaches:** Understand how trauma affects learning and behavior, and implement practices that support students' resilience.
- **Educational Technology:** Explore how tools, including AI, can personalize instruction and provide equitable access to learning resources.
