K-3

Count, Play, Explore: STEAM for Every Child

Empower your students through joyful exploration

Science, Technology, Engineering, Art, and Mathematics (STEAM) are for everyone. These interactive sessions support K–3 teachers, coaches, and leaders in using playful, real-world experiences to build strong foundations in math, science, and computational thinking.

What to Expect

Hands-On Strategies: Experience rich explorations to develop conceptual understanding

Foster Confidence: Learn to build positive STEAM mindsets for all learners

Practical Tools: Leave with activities you can use immediately in your classroom or learning community
