### What We'll Tackle

- **Strategic Routines:** Explore high-leverage routines that build flexibility and help students communicate their logic.
- **The 8 Math Practices:** Align your instruction with SMPs to promote modeling, reasoning, and "productive struggle."
- **Student Ownership:** Discover practical ways to boost collaboration and engagement in every lesson.

### Why Join Us?

- **Ready-to-Use:** Leave with strategies you can implement in your classroom tomorrow.
- **Proven Methods:** Learn research-based practices grounded in effective math instruction.
- **Peer Collaboration:** Connect and share ideas with fellow Grade 3-8 educators.
