## Math Talk & Routines

*Engaging Young Minds Through Number Sense and The Math Practices*

Are you ready to transform your classroom into a hub of mathematical discovery? Join us for an enlightening session on incorporating math talks and routines in grades K-2. This workshop is perfect for educators looking to enhance their students' number sense and overall engagement with math.

### Building Number Sense

- Explore effective strategies to help young learners develop a strong foundation in number sense.
- Engage students with activities that promote understanding of numbers, patterns, and relationships.

### Engaging Students Through the 8 Math Practices

- Understand how the practice standards help students reason mathematically and solve problems efficiently.
- Discover techniques to encourage participation and enthusiasm for math learning.

### Why Attend?

**Hands-on Activities:** Participate in interactive demonstrations and activities that you can implement immediately in your classroom.

**Expert Guidance:** Learn from research-based practices that are grounded in effective strategies for math education.

**Collaborative Environment:** Network with other educators and share ideas for enhancing math instruction.
