Job Summary:
The job of Teacher Induction Program Specialist is done for the purpose/s of assisting the Teacher Induction Program Director in performing the organizational tasks that maintain the program within the state guidelines to continue to receive funding as an induction program. The person in this position greets clients to make them feel welcome while providing information and referring them to the proper source. They accept and process induction documents to assist clients with program requirements. They create program documents, reports, flyers and certificates in order to disseminate program information to the appropriate entities. They input, update and retrieve data from the databases to maintain records, reports and preserve permanent induction and credential files. They maintain confidentiality of induction participants and their mentors ensuring information is not disclosed to unauthorized personnel. They prepare documents for the purpose of revising budgets and providing information to potential teacher candidates, staff, districts, state and local governmental agencies. They maintain records, schedules, mailing lists and other documents in order to ensure attendance at required meetings/training sessions and that deadlines and requirements are met to maintain eligibility requirements of both teachers and the induction program. They assist the human resources staff, induction staff and credentialing staff in order to provide support in the completion of their duties. They prepare and collect forms needed for attaching to the teachers’ credential application/file for the purpose of assisting the teacher to complete the requirements for submission to the state.
