- Plans/provides diverse professional development for the purpose of training participants in college and career readiness strategies.
- Collaborate with the TCOE Learning and Leadership Department to assist districts with data, accountability, and LCAP CTE & CCR Integration services.
- Convene and facilitate meetings with a range of regional partners.
- Serve as an advocate for all students and facilitate smooth transitions for students from K12 to post-secondary education or the workforce.
- Work directly with inter-segmental education partners – high school, adult school, colleges, and industry partners to design effective pathway articulation.
- Research and evaluate ways to ensure sustainable and meaningful partnerships for maximum effectiveness of the pathway programs.
- Collect and organize measurable data sets for analysis and reporting.
- Assist in the coordination and execution of student pathway events.
- Assist in the preparation of students for a full range of postsecondary options – including two- or four-year colleges, certification programs, apprenticeships, or formal job training.
- Support California Colleges Guidance Initiative, College/Career Indicator, and other relevant initiatives for our region.
- Assist in the development of grant applications, reporting, and review in a variety of areas.
- Attend local, regional and state meetings and conferences for the purpose of maintaining up-to-date knowledge of college and career readiness.
- Other duties as assigned.
