* Woodlake Unified School District at FJ White Learning Center - The existing water fountains on campus will be removed and replaced with new units. The urinals in the boys' restroom will be adjusted to an appropriate height to better accommodate younger students. Construction of a new TK playground has been planned and is currently underway. In the TK classroom that currently does not presently have one, both a sink and water fountain will be installed to more effectively support students' needs. Estimated date of completion is Summer 2026.
