

VOCAL AUDITION LYRICS (you will sing this as a memorized solo audition with a provided backing track.)

'Cuz in Berk we're twelve degrees north of hopeless
And a few degrees south of frostbite.
Yeah, in Berk we might be seven generations deep,
But ev'ry passing day's still a fight.
But we're not leaving, we're not leaving, we're winning this war,
We're not leaving, we're not leaving, there's no tying the score.
We're not leaving, we're not leaving, yeah, we'll show them the door.
But we're not leaving, we're not leaving, we're winning this war.
Oh yeah, we're winning this war!

AUDITION LINES (Grades 1-5 choose one of the following lines to perform memorized. Grades 6-12 choose two contrasting lines to perform memorized. Show us your personality, speak clearly and with energy!)

HICCUP: (Discovers Toothless, the Night Fury) Ah! Yikes, ah- holy, wow- I mean I know I asked for a sign, but...Okay. Just kill it. Kill the Night Fury. This is what a Viking can do. Be a Viking! (pause) Oh geez- it's staring at me- stop staring at me! (defeated) Dad was right. Hey, I'm sorry. Calm down... I freed you, so...go. I can't kill dragons.

TOOTHLESS: (Hiccup is trying to put the new tail on) Yunno, I'm starting to feel kinda anxious about this. Like I could really use something to calm my nerves, like a- (looking around the forest) Oooo - dragon nip! Yes! (relaxes) You can put the tail on now. Ah! Ouch, no. Hard no. No flying. Man, I knew I shouldn't have trusted you!

ASTRID: Out of my way! (eager) Stoick, sir- I mean Chief, I mean- I wanna be just like you. I mean I know I can be just like you. I wounded at least seven dragons today- (awaits Stoick's instructions) On it! Ready the catapults!

STOICK: Hiccup, when I was a boy my father told me to ram my head into a boulder, and I did. And that boulder crumbled into a thousand pieces and that taught me who I was meant to be. It taught me what a Viking can do. And Son...I don't think you can do it. Any of it.

MONSTROUS NIGHTMARE (HOUDINI): Wooooo! Here I am! Your literal Nightmare! Worst sleep of your dreams! I will blast you into oblivion! I get roasty, I get toasty, so get ready to get crispy baby! Hear me ROARRR!

THE RED DEATH: WHO invades my nest!? (spotting Toothless) And you! Still with the humans? Then too bad he won't be here to watch you burn! You *fools*. Fire on my command! I'll destroy you! You can't catch me!!
