# DIRECTOR'S NOTE

Hello! We are delighted to help you kick off this year's holiday season with our fall production of *Rudolph the Red-Nosed Reindeer JR.* featuring a *Glee-Ful Christmas* pre-show!

When choosing this fall's title, I felt the need to spread joy and cheer to as many people as I could reach with the help of our talented cast, crew, and production team. With so much strife and anger in this world right now, to bring happiness, tenderness, forgiveness, and fun to our students (and to you) - wrapped up in a sweet and cherished classic tale - is my Christmas wish.

We have welcomed returning faces and many new faces to this cast this fall, and I am immensely proud of their hard work and dedication. McKenna and I have truly enjoyed teaching your students and watching them grow as performers and as aspiring, confident, brave humans! Nearly half of our cast is performing in a musical for the very first time, and I guarantee you won't know it when you watch them! From learning dance steps they can't even pronounce the names of, to singing in three and four-part harmony, to memorizing lines and conquering dancing with props in their hands, this cast has truly created quite a special production of a beloved holiday classic.

We also tried something new this fall by making the choice to do an advanced high school preshow. It has been so exciting to work with these crazy talented 10 teen performers and you are in for such a special treat watching them! Every single one of them has mastered something new as a triple threat and you will see that as they perform for you.

So many people come together to make our production happen. My heartfelt gratitude goes out to all of our parent volunteers - especially head chaperones Rachel Sullivan and Emily Brown, and all that helped us throughout this process. To our Tulare County Theatre Boosters and all of the support we received from ERS, Human Resources, and the Business Office at TCOE - thank you for all you do. I'd also like to send a special shout out to our TCOE Maintenance and Operations department for the day-to-day support they give us, making sure that our rehearsal space is ready to work in, and for the kindness that they extend to all of our students and families.

To the team of technicians, designers, and creators that have brought this show to the stage, I say thank you. Matt, Andres, Cade, Wyatt and Nels - thank you for lighting our faces so well, highlighting our voices as we sing, and making sure we have a great theater experience in Rotary! To Conan, Craig, and Mg - thank you for all of your help and support as part of our Stage and Space Collaborative team. To Dalan, Mal, Jack, Joe, Eric, and Mandy, thank you so much for helping to create our set pieces and costumes! You're deeply appreciated and I couldn't have done this without you!

Thank you to Jim Vidak and Brian Roberts for founding our Theatre Company - giving people like me the chance to share my gifts and inspire. Thank you to Tim Hire for continuing to support us, especially for supporting our production team led by Bethany Rader and myself, and the fabulous McKenna Friend-Hoffman. I am honored to teach our Tulare County students performing arts alongside these two strong and talented women. My entire family pitched in to help make this show happen, from building and painting sets to working stage crew. I love and thank you all so very, very much!

Lastly, I'd like to dedicate this show to my dearest friend, and theatre father figure, Richard Morrill. You brought joy to every show we've shared for many years and helped our students shine in front of your amazing set designs. Your hopeful spirit has carried me through so much, and it always will!

I hope we bring you joy and cheer as you watch our show. Just as Rudolph helped to guide Santa with his special glow, may we all find light and hope in this season!

Happy Holidays, and enjoy the show!

-Charlotte
