

California Preschool/Transitional Kindergarten Learning Foundations

Ignite Young Scientists!

Science is everywhere, from sensory play and gardening to painting and building. Discover how to:

- Explore the new Preschool and Transitional Kindergarten Learning Foundations (PTKLF) Science Domain.
- Experiment as if you are at a hands-on science fair, encouraging curiosity and problem solving.
- Connect with TK educators who want to learn more about early science.

Bring science to life in your classroom every day!
